

# **“Bee” A Good Neighbor So You Don’t Get Stung!**

**The City of College Station  
can issue tickets for the  
following code violations:**

*If you can’t see your knees, mow your grass, please!  
Grass must be kept under 12 inches.*

*Don’t “bee” a punk. Get rid of your junk!  
Junk cars are not only trashy, they are illegal!*

*Don’t leave up any signs, it could “bee” a crime!*

*If your trash container is too full it could overflow!  
Litter attracts critters and our ticket will make you bitter!*

*Help the neighborhood look neat!  
After trash day, move your container out of the street!*

*Don’t park in the yard unless the surface is hard!*

*4 people living in a house can “bee” a crowd,  
and more than 4 unrelated people is not allowed!*

*If you have a party don’t “bee” loud  
or the police will come and join your crowd!*

*3 drinks or less in the average week!  
Aggies don’t drink as much as you think!  
So “bee” responsible when you drink,  
because landing in jail would really stink!*
